

How to search for a job on Bundesagentur für Arbeit

Please follow the graphical information below to search and apply for a job.

Computer Users:

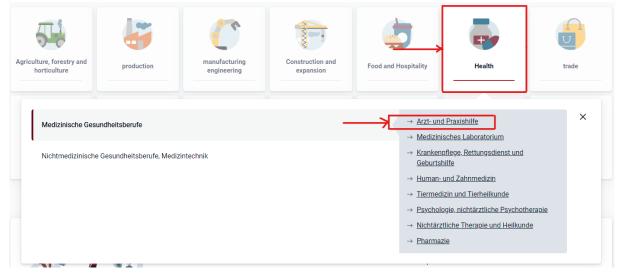

Install a chrome translator extension to help you translate the German Language websites.

Mobile Phone Users:

You might need to translate the pages so when you reach a page in the German Language, use the 3 dots (chrome-icon) on the top right of chrome and click on translate.

If you don't find a Translate notification at the top of your screen, you can request a translation.

- 1. On your Android device, open Chrome **O**.
- 2. To the right of the address bar, tap More \vdots > Translate...
- Click on link <u>https://www.arbeitsagentur.de/jobsuche</u>
- Click on 'Gesundheit' section and then select the type of job you would like to apply. Below is an example for a Arzt (doctor).

You will see a list of many jobs to apply for on at this stage. Now you can use the search inputs on the left and right to search for the type of job and location of work respectively. Please follow the picture below.
